St Joseph's Catholic Primary School

440 on roll, expanding to 630 by 2023

This is an excellent opportunity to lead our diverse and currently expanding school from good (February 2017) to outstanding. This opportunity has arisen due to the retirement of our well respected Headteacher. The Governors are seeking to appoint a practising Catholic with vision, enthusiasm and energy who will deliver the best possible learning outcomes for our pupils. We are looking for someone who is passionate about teaching and learning and who has the resilience and leadership qualities required to take our school to the highest level of success as we expand to three forms of entry.

We are offering:

- a warm welcome to our school with an exciting opportunity to make a difference, not least the opportunity to recruit additional motivated and appropriately skilled and qualified staff as the school grows.
- the chance to build your own team as the school grows and to work with our committed staff who are supportive, open to new ideas and keen to continue to develop professionally
- a school where pupils are well-behaved, enjoy school and are keen to learn.
- supportive and engaged parents and parish community.
- an effective, supportive and approachable governing body who are fully involved in the development of the school.
- a great opportunity for career development underpinned by a strong commitment to your professional development. This may include a comprehensive induction programme for the right candidate who needs to develop into the role or an opportunity to have a wider role in education within the local area for a more experienced practitioner.

We are seeking a Headteacher who:

- has a strong Catholic faith and understanding of Catholic education, who will uphold and sustain the spiritual and caring ethos of the school

- is an experienced senior leader who can manage and inspire a large team of teachers and staff, whilst developing the potential of every individual.
- has a strong strategic vision backed up with the practical skills to implement that vision.
- can take our school from good to outstanding.
- is an effective communicator and experienced change manager.
- is committed to the well-being of the children in all aspects of school life, holding high standards of achievement and ensuring that they feel valued and supported.
- will work closely with the local parish and wider community.

For further information or to arrange an informal visit to our school, please contact secretary@stjosephs-redhill.surrey.sch.uk. For an informal chat with our Chair of Governors call Paul McCallum on Mobile 07954 316 660.

Our school is committed to safeguarding and promoting the welfare and safety of children. The successful candidate will be required to sign a Catholic Education Service contract and appointment to this post will be subject to an enhanced Disclosure and Barring Service check.
