

Making a Difference in Year One

Do you wonder if there is another way to approach teaching and learning in Year One?

A way that combines the best of EYFS pedagogy with the knowledge and skills needed for the KS1 curriculum?

Come and join us for an exploration of the ways that you can adapt and develop your Year One to really make a difference for your children. The event will be hosted by Marianne McDonnell, Specialist Leader for Early Years, at St. Peter's School, Leatherhead.

The afternoon will focus on:

- The pedagogy that supports how young children learn best ,
- Ways to structure your classroom practice to support independent enquiry,
- Different approaches to planning, assessment and record keeping.
