

CISC Day Conference for Chaplains

Thursday 28 March 2019

St. Teresa's, Effingham

School Chaplaincy colleagues are warmly invited to attend a day conference on Thursday 28 March 2019 at St Teresa's, Effingham.

The work of the School Chaplain is both a joy and a challenge seeking, as it does, to support students in navigating the life choices which contemporary living presents. In so doing, School Chaplains create opportunity for spiritual discernment, personal growth and growth in faith.

To refresh and revitalise those engaged in this most significant ministry, the Catholic Independent Schools' Conference is hosting a day for School Chaplains at St Teresa's, Effingham on 28th March 2019. Headline speakers are **Teresa Baron** and **Professor Peter Tyler** and in the beautiful surrounds of the school the day is an opportunity to share, reflect and bring your professional wisdom to dialogue with colleagues.

The cost for the day, including lunch and refreshments, is £85.

The full programme and bookings can be made online via the Events & Training Calendar at:
