The Governors of St Gregory's Catholic College are looking for an inspirational existing head or an outstanding, capable and self-starting deputy who can demonstrate the capability to provide outstanding leadership and become our new Headteacher.

Our school is an 11-18 voluntary aided Catholic school in Bath with approximately 950 students. Our next Headteacher will be expected to build on the school's current strengths and successes, deliver on its immediate needs and help shape its future. It is important that applicants demonstrate adaptability and flexibility in order to lead the school through the changing national, diocesan and local landscape.

We demand high standards of our students, our staff, and ourselves as governors and expect our Headteacher to do the same. Applicants are required to be practising Catholics who will provide the Catholic leadership the school requires.

We provide a stimulating working environment in the World Heritage City of Bath. In addition, you will benefit from a dedicated, talented and professional staff team and a governing body that will support your leadership and professional development.
