## **St. Augustine's Catholic Primary School is seeking to appoint two class teachers (KS1 / 2) for September 2018 to join our warm and friendly school.**

Thank you for your interest in the position of class teacher at St. Augustine's Catholic Primary School. St. Augustine's is a two-form entry primary school with 432 pupils aged 4-11 years old. We are very fortunate to be over-subscribed and have waiting lists across the school. Over 40% of the school have English as a Second Language and we have a very rich diversity of cultural backgrounds across the school. St. Augustine's is part of the Xavier Catholic Education Trust with nine other schools in the Woking and Weybridge Deaneries. We have come together to work collaboratively for the benefit of all the children we serve and we very much aim to provide the best possible education in a caring and supportive environment. As part of a leading Multi Academy Trust we are able to offer high quality staff development and career opportunities. The school has had both an outstanding Ofsted inspection and an outstanding Section 48 inspection.

The school is located in Tomlinscote Way, beside Tomlinscote Secondary School and we are just a few minutes' drive from Frimley Park Hospital.

We are seeking to employ teachers who have a real passion for teaching and are committed to ensure all their class to achieve the best that they can. Those appointed will be part of a hardworking and successful team who also have a good sense of fun! Our school is a very rewarding and supportive environment. Staff retention is extremely high and we try to ensure that staff maintain an appropriate work-life balance. We very much value our staff who contribute in many different ways to the overall success of our pupils. We have year group partners and mentors who are available for all teachers, including N.Q.T.s. At this point we have not decided which year group the position is for but will decide this based on the appointed candidate's strengths and experience across the primary age range.

We are very fortunate to work with such fantastic pupils at our school. Many people who have visited the school or who have met our children on school trips have contacted me afterwards to comment on the children's excellent behaviour, manners, kindness and caring nature. St. Augustine's is a Catholic School and the ethos is very much at the centre of everything that we do. Teachers who are appointed to our school do not have to be Catholic but need to support and respect the Catholic ethos of the school.

Candidates are warmly welcome to visit the school and discuss this opportunity further.

Mrs. Alison Walsh  
Head teacher
